WELCOME TO THE GARDEN OF EARTHLY DELIGHTS!

CALENDER 2016
THE GARDEN OF
EARTHLY DELIGHTS
IN OSS

The Garden of Earthly Delights is a famous painting by Hieronymus Bosch. This year is the 500th anniversary of the death of this renowned painter from 's-Hertogenbosch, and the town is commemorating the artist with a major exhibition, among other things. Unfortunately The Garden of Earthly Delights will not form part of the exhibition, as it is too delicate to be transported. This **is** why Oss is offering visitors a very special Garden of Earthly Delights. This year, our beautiful corner of the world is The Garden of Earthly Delights. Activities, events and exhibitions inspired by Hieronymus Bosch make it a special Garden of Earthly Delights!
